

TRUTH BEFORE THE SPLIT

THE DIVORCE PLAYBOOK NO ONE GAVE YOU

Divorce does not begin in a courtroom. It begins in your heart, your bank account, your children's bedrooms, and in the quiet moments when you realize the life you knew is changing. The Truth Before the Split: The Divorce Playbook No One Gave You is the clear, compassionate guide you wish someone had handed you before everything unraveled. Written by seasoned family law attorney Trisha Morales Padia, this book avoids legal jargon, fear-driven myths, and emotional overwhelm, and instead gives you what you

Through real-life stories, practical guidance, and grounding reflection exercises, Padia walks you through the emotional gut check, the legal realities, the financial fallout, and most importantly, the human cost of divorce for you and your children.

This is not a book about winning a divorce. It is about surviving it with your dignity intact and emerging stronger, steadier, and informed. Whether you are contemplating separation, in the middle of the process, or picking up the pieces afterward, this guide helps you make decisions from a place of knowledge rather than panic.

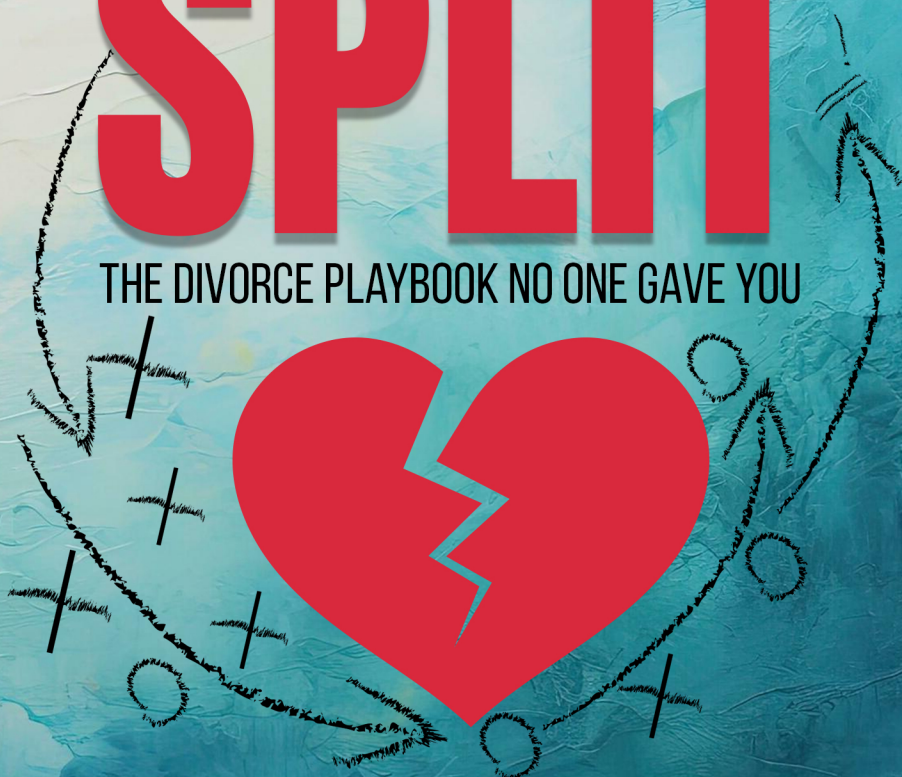

Trisha Morales Padia, a legal professional since 2013, graduated from St. Mary's School of Law in San Antonio. With over a decade dedicated to assisting families in divorce, custody, and probate matters, she identified a need for proactive estate planning. Originally from Southern California, calling Colorado home for the better part of two decades, Trisha, along with her family, has settled in San Antonio. In this book, she shares insights to help individuals initiate the family planning process. Her professional expertise, coupled with a warm and relatable approach, aims to guide readers through the complexities, ensuring families are well-prepared for potential challenges.
